## NCPA and Connection<sup>®</sup> Public Sector Solutions Provide Competitively Awarded Computer Systems and Peripherals

National Cooperative Purchasing Alliance (NCPA) is a leading national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. This means members receive equal pricing for the smallest entity to the largest buyer. NCPA utilizes state of the art procurement resources and solutions that result in cooperative purchasing contracts. This ensures that NCPA members are receiving products and services of the highest quality at the best prices.

Connection<sup>®</sup> Public Sector Solutions specializes in fulfilling the unique IT needs of educational, state, and local institutions from design to deployment. Our extensive experience managing contracts provides the expertise and knowledge to adequately address the various needs facing IT procurement professionals. We employ a variety of purchasing mechanisms to fulfill customer requirements efficiently. This results in accurate departmental billing and shipment support documentation.
