

POLY POWER. ZOOM SIMPLICITY.

ELEVATE THE ZOOM EXPERIENCE END-TO-END

WE CONNECT PEOPLE, NOT THINGS

Poly (formerly Plantronics and Polycom) is the global communications company that powers authentic human connection and collaboration with end-to-end solutions.

Committed to make communication even easier for your customers, the Poly + Zoom partnership ensures you can achieve more. Our high-quality headsets, voice, and video solutions work simply and flexibly with Zoom, creating a one-stop shop for all your organization's personal and group collaboration device needs. With Poly, the Zoom Rooms, Zoom Meetings and Zoom Phone experiences are better than ever.

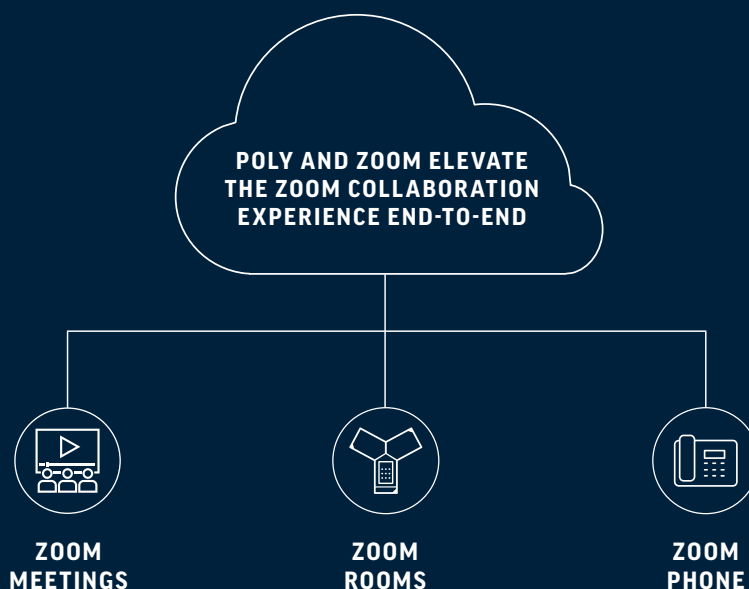

OUR VALUE TO OUR CUSTOMERS AND PARTNERS

- **Business leaders**—Poly + Zoom bring you and your teams more ways to improve communication and collaboration, and thus improve productivity.

- **IT managers**—Poly devices are easy-to-install and manage—built with Zoom in mind.
- **Business partners**—Today's Poly + Zoom users are on the go and at their desks. Our global support team helps them wherever they are.

BEST ZOOM EXPERIENCE—END TO END

- Wherever you interact with the Zoom video platform, Poly is there, powering authentic human connection and collaboration.
- Purpose-built solutions for Zoom Rooms help you get up and running in minutes.
- Poly desk, conference and speaker phones are certified for Zoom Phone—elevating the audio conferencing experience for every Zoom Phone user.
- Poly headsets deliver focused audio—so you can hear and be heard clearly in Zoom Meetings and on Zoom Phone calls.

POLY SOLUTIONS FOR ZOOM ROOMS DELIVER A SIMPLY-GET-IT-DONE EXPERIENCE

Next-generation room solutions from Poly, optimized for Zoom Rooms, bring together every powerful idea, every human emotion, and every spark of genius. For a reliable, seamless experience, nothing beats Poly + Zoom.

SOFTWARE

Get the tools you need to deploy with confidence.

Accelerate your business when you add a software solution to monitor and maintain your devices and headsets. Drive the adoption of new initiatives, troubleshoot issues and manage inventory more effectively. Add Plantronics Manager Pro, a software-as-a-service sold separately, or Polycom Device Management Service for access to actionable insights to improve business processes, employee performance and compliance.

SERVICES

Amplify your device experience on your choice of platform.

The Poly Professional Services team provides you with the expertise to effectively plan, deploy, operate and support any Zoom environment. For global organizations, Managed Services can provide a one-stop shop experience to streamline Zoom Rooms.
