

Experience Unthinkable Mobility with the ThinkBook 13x Gen 2

Tackle your work anywhere (and look good doing it) with the premium business-class performance and head-turning design of ThinkBook 13x Gen 2, built on the Intel® Evo™ platform and powered by 12th gen Intel® Core™ i7 processing.

ThinkBook

Lenovo

Striking Design, Uncompromising Performance

ThinkBook 13x Gen 2 looks like a beauty and works like a beast. With the slimmest design, edge-to-edge keyboard, and nearly bezel-less display, the sleek ThinkBook is built for mobility and unthinkable performance.

Power Up and Login Instantly

Lift open with one finger to get started right away with the help of ThinkBook's **Flip-to-Boot** smart feature (if no passwords are set). Power on and unlock the laptop securely with a single touch with **Smart Power On**.

Sleek Portable Design

Remote work has never looked better. ThinkBook 13x Gen 2 combines the slimmest, lightweight design with a wider, edge-to-edge keyboard—maximizing your workspace without compromising mobility. Add the ThinkBook Bluetooth Silent Mouse and get to work with precision and style.

Best in Class Display

It's easy on the eyes, literally. The TÜV Rheinland Eyesafe™ certified WQXGA LCD panel ensures you work with minimal eye fatigue. Plus, the 13-inch panel with a nearly bezel-less infinity screen and over 91% screen-to-body ratio packs more display in a smaller device. If you prefer maximum screen space, the Universal Thunderbolt™ 4 Dock allows you to extend your screen across multiple displays.

ThinkBook

Lenovo

Beauty Meets Beast Mode

Getting even more done just got easier (and more stylish) with ThinkBook 13x Gen 2. Power up your workforce for unthinkable mobility, productivity, and performance with the industry-leading reliability of Lenovo and processing power of the Intel® Evo™ platform. With Lenovo as your trusted partner, you can rest assured that your team will have the sturdy equipment, powerful software, and reliable support needed to get more done, faster.

ThinkBook 13x Gen 2

Smarter Software and Services for Multitasking

Pair ThinkBook with smarter software and services—so you can deploy, manage, secure, and support your employees around the clock, from wherever you are and wherever they are.

Premier Support

Access your technical account manager who knows your business personally. Get a 24x7x365 direct line to elite Lenovo technicians who listen first and deliver advanced troubleshooting to keep your downtime minimal.

ThinkShield Endpoint Security

Comprehensive and customizable end-to-end protection that secures your business without slowing down your people. ThinkShield locks down your data without down your people, offering automated, intelligent solutions that empower your IT team.
