

Apple at Connection

A Leader in Apple Services for More than 35 Years

Business adoption of Apple® devices has increased dramatically in recent years and continues to experience significant growth. With help from Connection, creating or upgrading an Apple ecosystem is easy and painless. We are a certified Apple Corporate Reseller with a partnership that goes all the way back to 1984. We can deliver OEM-authorized service for all major IT equipment manufacturers, across the globe, whenever and wherever you need it. This means we are uniquely qualified to provide Apple solutions, product availability, and expertise that exceed your expectations. To that end, we offer:

A Team of Apple Solutions Architects

We become an extension of your IT staff—working to meet your needs, timeline, and budget.

- 1:1 Account Manager
- Dedicated Apple resources
- Apple Certified System Engineers
- Apple Authorizations:
 - Authorized Service Provider (AASP)
 - Apple Certified Support Professional (ACSP)
