

WHY CONNECTION AND APPLE

Corporate Reseller

Deployment and Provision

Rapid support at scale for zero-touch solutions on all Apple devices.

Modern Management

Cloud-based solutions that support the latest protocols and Apple features.

Platform First and Beyond

Zero-day support for new Apple OS releases and services to improve employee satisfaction.

Secure Productivity

Protect your data using best practice security policy settings on all devices to improve your security posture.

The Leader in Apple Services

When you partner with Connection to incorporate Apple devices into your organization—whether managed or unmanaged—you gain the capability to effortlessly establish or enhance the Apple platform for your business. As an Apple Corporate Reseller, we provide authorized services for all key IT equipment manufacturers, wherever and whenever you need it. Our expertise, knowledge, and comprehensive solutions ensure success at every stage of your Apple device lifecycle.

Create a Best-in-class Apple Experience with Connection

- Ensure predictable costs at scale and achieve reduced downtime with our Managed Endpoint and Depot Programs that include comprehensive warranty coverage
- Protect devices with Security Optimization Services that integrate with your security tools
- Lower support costs while increasing employee satisfaction with zero-touch deployment on all Apple devices
- Support users and their choices through Mac Employee Choice Programs
- Recoup value with IT Asset Disposition Services with secure recycling
- Resolve questions through Apple-focused Assessment and Enablement Workshops

Leverage Apple Expertise

As an Apple Authorized Service Provider, our Apple experts obtain the latest certifications in Apple technologies (including Apple Intelligence) and align to industry best practices that fortify business resiliency. We understand that the technology landscape evolves quickly. You need a partner who can keep current with industry trends and address your business priorities while delivering thought leadership. That's what Connection does best. Change Happens. EXPERTISE WINS.™
