GoToConnect
Powered by Jive

ONE SIMPLE, SEAMLESS, RELIABLE PLATFORM FOR VOICE AND VIDEO

Voice and video combined.

GoToConnect combines the power and reliability of Jive's phone systems and GoToMeeting's web, audio and video conferencing into one simple, fast, easy-to-use solution. Effortlessly talk, chat, text and meet – all through the same application.

Save instantly

Eliminate the hassle and expense of managing multiple voice and video solutions. GoToConnect includes over 100+ powerful hosted VoIP and meeting features for one amazingly affordable price. Best of all, there are no hidden fees or separate bills. **GoToConnect offers all-inclusive pricing as low as $19.95**.

Call, meet and message your way

Easily communicate internally and externally via your web browser, a downloadable desktop app, a desk phone or your own mobile device. GoToConnect keeps everyone in your business connected, wherever they are.
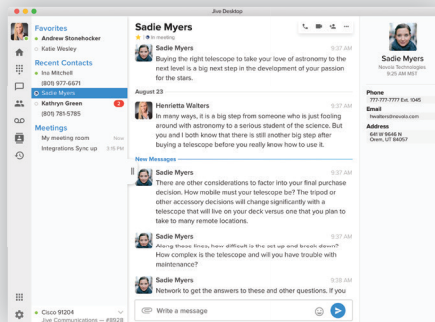

Trusted reliability

Affordable pricing

Anywhere collaboration

Meet face to face with your co-workers or customers in HD video.

See the status of contacts and stay connected with messaging.
