

WINDOWS 11 READINESS ASSESSMENT

Windows 11

At Connection, our Professional Services Team can help you prepare for Windows 11 with a Readiness Assessment that evaluates device compatibility and ensures optimal functionality of Windows 11 in your environment.

Your Windows 11 Journey with Connection

READINESS ASSESSMENT

- Objectively determine readiness gaps
- Share insights
- Roadmap and next steps

DESIGN

- Create design to solve gaps
- Design implementation plan

IMPLEMENT

- Implement modern device management and Defender for Endpoint

MANAGE

- Ongoing lifecycle services
- Managed security and compliance
- Managed Microsoft 365

Key Benefits

- Receive data and information needed to identify hardware gaps.
- Take full advantage of security features in Windows 11.
- Gain essential implementation insights to ensure a smooth transition.

Assessment Outcomes

- Our Professional Services team collaborates with your stakeholders to assess the current state of Windows 11 readiness.
- Tailored recommendations to enable a smooth Windows 11 transition and maximize productivity.

Why Connection

- Microsoft experts, depth of services, trusted advisors
