

Connected & Protected

Bringing Innovation, Convenience, and
Cybersecurity Solutions to Healthcare

Connected

Belkin tech solutions help to safely and quickly connect healthcare professionals to their patients, critical information and other members of their team.

Protected

Cybersecurity is more important than ever in the healthcare field. Our secure tech solutions are certified safe to help prevent vicious attacks from bad actors and costly errors from users.

Empowered

Our charging solutions are best-in-class, working around the clock to keep your gear running, connected and ready when you need it most.

Securely Command and Control

Add security, convenience and innovation to sensitive systems with Belkin cybersecurity solutions. Our Secure KVMs and KMs help secure workstations without loss of functionality or system access.

UNIVERSAL 2ND GEN SECURE KVM SWITCH, 4-PORT DUAL HEAD W/ CAC

Command multiple systems from one workstation

- Supports up to 4K @ 30Hz video resolutions
- Compatible with most modern and legacy computer video standards including DisplayPort, HDMI and DVI
- Available in 2, 4, 8 and 16 ports with a choice of single or dual monitors for 2–8-port models, single monitor for 16-port model
- Optional KVM Remote Control with Integrated Keyboard supports channel switching for the ultimate operator experience
- First-to-market certified to NIAP Protection Profile 4.0
- TAA assembled in the USA
- Dedicated US-based free technical support

F1DN204KVM-UN-4

Contact healthcare@belkin.com to learn more about system configuration and cabling options.

KVM REMOTE CONTROL WITH INTEGRATED KEYBOARD

Control the KVM from the keyboard

- Compatible with Universal 2nd Gen KVMs: 2-, 4- and 8-port models
- Fully control secure KVM directly from USB keyboard
- Secure KVM can be moved off desk for a clean and decluttered workspace
- LED backlighting and status indicators mimic the front-panel configuration to reinforce the system the operator is working on
- TAA compliant
- Belkin 3-year warranty

F1DN008KBD

USB SMART CARD/CAC READER

Add security to sensitive systems

- Designed for the most sensitive systems including healthcare, government and military
- Supports CAC and PIV smart cards meeting ISO7816 standards
- Broadest smart-card compatibility ideal for legacy, current and future security needs, including class A, B, C (5v, 3v, 1.8v)
- FIPS 201 compliant
- TAA compliant

F1DN005U

4-PORT DUAL-HEAD DP MODULAR SECURE KVM SWITCH PP4.0 W/ REMOTE

Compact and secure KVM to access multiple systems

- Ideal for healthcare, military, government and other sensitive applications
- Smallest form factor for 2- or 4-port secure KVM
- Included remote control supports KVM switching while decluttering the desk
- Supports up to 4K @ 30Hz video resolutions
- Compatible with most modern and legacy computer video standards including DisplayPort™, Mini DisplayPort, HDMI, DVI, VGA and USB-C
- Optional mounting hardware supports VESA and under-desk mounting
- Certified for NIAP Protection Profile 4.0
- TAA compliant
- Dedicated US-based free technical support

F1DN204MOD-PP-4

4-PORT MODULAR SECURE KVM SWITCH PP4.0 W/ REMOTE

Compact and secure KVM to access multiple systems

- Ideal for healthcare, military, government and other sensitive applications that require real-time monitoring and response across multiple systems
- Smallest form factor for 2- or 4-port secure KM
- Switch ports with a simple keyboard key press and cursor move
- Included remote control also supports KM switching while decluttering the desk
- No keyboard or mouse delays when switching ports
- Optional mounting hardware supports VESA and under-desk mounting
- Certified for NIAP Protection Profile 4.0
- TAA compliant
- Dedicated US-based free technical support

Staying Connected

Discover the latest tech accessories that keep your team connected, engaged and ready for anything.

TABLET STAGE

Engage and connect with your patients

- An interactive presentation tool for in-person or remote engagement
- Capture and project images and live video using your tablet
- Use either a wired or wireless connection to display your tablet's subject matter on a projector, HDTV or monitor
- Case-compatible design, works with most 7- to 11-inch tablets (and up to 12.9 inches on select iPad models)
- Flexible arm rotation to toggle between presenting content and filming yourself
- Keep cords tidy with integrated cable management
- Access interactive presentation tools with the Belkin Stage™ app
- Optimized for use with our Belkin Stage™ interactive presentation tools app (available on the App Store or Google Play store)

EDC001

PORTABLE TABLET STAGE

On-the-go tablet stand

- Stable, adjustable platform turns your tablet into an interactive presentation tool
- Case-compatible design works with most tablets and smartphones
- Flexible and portable, designed for easy mobility
- Integrated cable management keeps USB and power cords out of the way
- Optimized for use with our Belkin Stage™ interactive whiteboard and document camera app (available on the App Store or Google Play store)

B2B118

Charging and Surge Protection

When your devices are interrupted or stalled, so is your patient care. Belkin charging and surge protection offers the complete solution to keep everything running smoothly.

STORE AND CHARGE GO WITH FIXED DIVIDERS

Universal storage and charging for all device types

Store and Charge Go is the ideal charging solution to save time in busy facilities. The 10-device base unit is compact, wall- or desk-mountable, and houses all chargers and cables to reduce clutter.

- Store and charge up to 10 laptops or tablets simultaneously
- Base unit may be wall-mounted for space savings with our optional Wall Mount Plate, Part# B2B156 (sold separately)
- Base unit houses all chargers and cables to minimize clutter
- AC/USB compatible
- Includes surge-protected power source with \$15,000 Connected Equipment Warranty*

B2B141 (AC version, configured with fixed dividers)

B2B156 (optional mounting bracket)

B2B161 (USB version, configured with fixed dividers)

*AC version only, USB version \$5,000 Connected Equipment Warranty/Limited Lifetime

STORE AND CHARGE

Charge 10 devices at once

- Store and charge up to 10 devices, including tablets and laptops
- Compatible with devices and cases up to 13" diagonal and 1.18" thick
- Built-in cable management minimizes tangles and clutter
- Open setup facilitates easy access and wireless syncing
- Mounting features attach securely to tables or AV carts
- AC/USB compatible
- Part B2B074 includes surge-protected power source with \$15,000 Connected Equipment Warranty*
- Part B2B162 (USB version) Includes Intelligent USB Charger with \$5,000 Connected Equipment Warranty / Limited Lifetime

B2B074 (AC version) / B2B162 (USB version)

*AC version only, USB version \$5,000 Connected Equipment Warranty / Limited Lifetime

SECURE AND CHARGE

Keep your devices powered and secure

- Lockable security enclosure deters tampering and theft
- Allows for wireless syncing
- Store and charge up to 10 devices at easy-to-reach angles
- Compatible with devices and cases up to 13" diagonal and 1.18" thick
- Built-in cable management minimizes tangles and clutter
- Surface-mounting allows unit to be securely attached to tables or carts and are stackable to save space
- B2B163 Includes Intelligent USB Charger with \$5,000 Connected Equipment Warranty / Limited Lifetime

B2B163 (USB version)

10-PORT USB CHARGING STATION

Reliable multiport charging

- Wall or desk mountable
- Anti-slip bottom
- 10 x 2.4A USB-A ports
- 120W external power supply output
- Intelligent charging delivers correct power to each device
- Overcurrent protection
- \$5,000 Connected Equipment Warranty

B2B139

Power Solutions

Whether you're in the hospital, on the move, on the road or on-call, our powerful charging solutions are there when you need them most.

BOOST↑CHARGE™ POWER BANK 10K (MULTIPORT)

Versatile power for three devices

- 10,000 mAh
- 15W total power
- 3 ports: 2 USB-A and 1 USB-C
- 6 in./15cm USB-A to USB-C cable included
- 2-year product warranty
- \$2,500 Connected Equipment Warranty

F8J267btBLK

BOOST↑CHARGE™ UV SANITIZER + WIRELESS CHARGER

Sanitize while you charge

- Eliminate up to 99.99%* of bacteria from your phone, keys, cards, rings or other nonporous items
- Easy, silent, one-touch sanitation
- Fast wireless charging for Qi™-enabled devices works simultaneously with the UV sanitizer
- Auto shut-off when sterilization is complete or when lid is opened
- Safe and eco-friendly with dual UV-C LED lights
- 4 ft. USB-A to USB-C cable included
- 18W power source included
- Protected by 1-year product warranty

WIZ011tWH

BOOST↑CHARGE™ PRO 20W USB-C® PD GAN WALL CHARGER

Experience next-level charging with our flat-design GaN charger

- 21% smaller than other 18W chargers on the market
- 18- or 20-watt total output through a single USB-C port
- USB-C Power Delivery for fast charging
- Gallium nitride (GaN) transistors offer high performance in a compact design
- Foldable prongs for extra portability
- Protected by an extended 3-year product warranty
- \$2,500 Connected Equipment Warranty

WCH009dqWH

BOOST↑CHARGE DUAL USB-C PD GAN WALL CHARGER 68W

Fast charge two devices at the same time

- Two USB-C ports with a total output of 68W
- Charge one USB-C device with up to 60W, or charge a laptop or tablet up to 50W with one port and a smartphone up to 18W with the other
- USB-C Power Delivery fast charging
- Intelligent power sharing directs the most efficient charge to each connected device
- Gallium nitride (GaN) transistors offer high performance in a compact design
- Protected by 2-year product warranty
- \$2,500 Connected Equipment Warranty

WCH003dqWH

BOOST↑CHARGE™ PRO 4-PORT CHARGER 108W

Fast charge four devices at the same time

- 4-port GaN charger includes 2x USB-C and 2x USB-A ports
- Charge up to 4 devices with 108W of total power output
- Integrated GaN technology provides a high-power, efficient charge
- Supports a wide range of devices including laptops, smartphones, tablets, and more from Samsung, Apple, and more
- \$2,500 Connected Equipment Warranty

WCH010dqWH

Protection for Your Tech

Add durability and privacy protection without loss of functionality with Belkin screen protectors.

SCREENFORCE™ TRUE PRIVACY SCREEN PROTECTOR FOR iPad 7TH GEN

The removable and reusable iPad privacy screen

- Removable, reusable and washable
- Full-screen 2-way privacy in landscape orientation
- Ultra-thin to preserve iPad native experience
- Apple Pencil-compatible
- Simple and flawless application
- Case-compatible with 1st party Apple cases
- Anti-glare for use almost anywhere
- Limited Lifetime Warranty (Americas and Europe) or 2-Year Limited Warranty (rest of globe)

OVA008zz

**SCREENFORCE™ TEMPEREDGLASS
PRIVACY TREATED SCREEN PROTECTOR
FOR iPhone 12 PRO MAX, iPhone 12 PRO,
iPhone 12, iPhone 12 MINI**

Advanced privacy and defense against scratches and impacts

- Premium chemically engineered Japanese tempered glass
- Advanced drop, scratch and impact protection
- 2-way privacy filter in portrait mode
- Super-thin 0.33mm glass preserves touchscreen sensitivity
- The glass contains an antimicrobial agent to protect the screen protector from microbial growth
- Easy Align tray for simple, precise, bubble-free application
- Limited Lifetime Warranty (Americas and Europe) or 2-Year Limited Warranty (rest of globe)

OVA029zz + OVA028 + OVA031

Plug Into a Faster, Stronger Connection

Belkin docking stations, hubs, and adapters bring power, speed, and convenience to healthcare facilities around the globe.

14-PORT USB-C DOCKING STATION, 65W (CHROMEBOOK CERTIFIED)

Multiple monitors, multiple ports

- Connect a laptop to multiple monitors,* supports resolution up to 4K
- Works With Chromebook certified*
- 65W Pass-Through USB-C Power Delivery
- Ports: 2x HDMI 2.0, 2x DisplayPort 1.4, 1x USB-C (MFD) port, 5x USB-A, 2x USB-C (1x upstream, 1x downstream), 1x Gigabit Ethernet
- 3.5mm combination in/out audio jack
- Connect to 3 displays on select Windows host devices with MST capabilities

INC003†BK

* Chromebook supports up to 2 extended monitors. † This product works with devices capable of running the latest version of Chrome OS™ and has been certified to meet Google's compatibility standards. Google is not responsible for the operation of this product or its compliance with safety requirements. Chromebook and the Works With Chromebook badge are trademarks of Google LLC.

CONNECT→ USB-C 11-IN-1 MULTIPOINT DOCK

The ultimate workspace solution for healthcare facilities

- Connect to multiple devices at the same time
- Expands USB-C port into an HDMI port, DisplayPort, VGA port, 3 USB-A ports, Gigabit Ethernet port, SD and MicroSD card readers, 3.5mm audio port, and USB-C PD port
- Supports passthrough charging up to 100W
- Compact design with rear-facing ports
- Doubles as a laptop stand
- 5 Gbps of bandwidth for quick data transfers between computer and peripherals
- VGA, HDMI and DisplayPort video ports supports up to 4K resolutions on multiple displays

INC004btSGY

CONNECT→ PRO THUNDERBOLT™ 4 DOCK

Plug into the next generation of Thunderbolt technology

- Connect, power and display HD video at the same time through a single cable connection
- 12 ports include SD Card Reader, Audio In/Out, USB-C 3.1 Gen 2 port with PD 3.0, 2x Thunderbolt 4 ports, 2x HDMI 2.0 ports, Gigabit Ethernet, 2X USB-A 3.1 ports, and 2X USB-A 2.0 ports
- 40Gbps for fast data transfers
- Power Delivery up to 90W to power laptops, tablets, smartphones, hard drives and more
- High-def resolutions of up to 8K @ 30Hz for a single display, up to 4K @ 60Hz for dual display
- Triple display support available for compatible laptops. Video resolution varies and is dependent on laptop's capabilities.
- Thunderbolt 4 certified
- USB4-compliant
- Backward-compatible with Thunderbolt 3, USB 3.0 and more
- 120W PSU and Thunderbolt 4 cable included

INC006tHSGY

USB-C DUAL DISPLAY DOCKING STATION

Easy, expandable docking station for any laptop

- Connect your laptop to two full HD monitors
- 85W Power Delivery
- Ports: 2x HDMI 1.4, 2x USB-A 3.1 Gen 1, 1x USB-A 3.1 Gen 1 with BC 1.2, 1x USB-C, 1x Gigabit Ethernet
- 3.5mm combination in/out audio jack
- Kensington lock
- Flexible mountable design
- Includes 135W power supply

INC002t1BK

THUNDERBOLT™ 3 DOCK PLUS

Get all the benefits and convenience of Thunderbolt 3 technology to both Mac and Windows laptops

- Universal compatibility with Mac, Windows, Chromebook
- Dual 4K display support
- Up to 40 Gbps transfer rates
- Support for multiple peripherals via Thunderbolt, USB-A, USB-C, Ethernet and ports—all through a single cable
- Works with Thunderbolt 3 and USB-C host devices
- Power Delivery up to 60W
- Thunderbolt 3 cable included

F4U109t1

USB-C TO HDMI + CHARGE ADAPTER

- Plug-and-play adapter works with MacBook, Chromebook, Windows laptops and other USB-C devices
- USB-C to HDMI adapter with up to 60W of Power Delivery
- Supports video resolutions up to 4K at 60Hz
- 2-year warranty

AVC002BK-BL

USB-C MULTIMEDIA + CHARGE ADAPTER (100W)

- Plug-and-play adapter
- Connect a USB-C device to multiple peripherals (HDMI, VGA, USB-A, Gigabit Ethernet, USB-C PD) while staying charged
- Power Delivery up to 100W

AVC004BK-BL

USB-C TO ETHERNET + CHARGE ADAPTER (60W)

- Plug-and-play adapter
- Connect a USB-C device to internet at reliable Gigabit speeds while staying charged
- Power Delivery up to 60W

INC001BK-BL

CONNECT→ USB-C 6-IN-1 MULTIPOINT ADAPTER

- Turn a single USB-C port into multiple ports
- Gigabit Ethernet, USB-C PD, SD Card reader, 2 x USB-A ports, 4K HDMI
- Up to 100W Power Delivery

AVC008btSGY

MULTIPOINT TO HDMI® DIGITAL AV ADAPTER

- Combines common display connectors on a single adapter
- Mini DisplayPort, USB-C, HDMI, VGA inputs connect to a wide range of devices
- HDMI output connects to display/projector
- Magnetized cable heads stay organized
- Ultra HD 4K compatible
- Supports audio (except VGA)
- Multipoint adapter stays connected, minimizing setup time

B2B166

CONNECT→ DIGITAL MULTIPOINT TO HDMI AV ADAPTER

- Single cable solution features three popular connector types: Mini DisplayPort, USB-C and HDMI
- Magnetized cable heads keep AV installations organized
- Supports audio for enhanced AV experience
- Supports Ultra HD 4K and is backward-compatible to accommodate lower resolutions
- Simple plug-and-play capability doesn't require additional software

B2B169

ETHERNET + POWER ADAPTER WITH LIGHTNING CONNECTOR

- Streamlined connectivity to Ethernet and power at the same time
- Up to 480 Mbps for fast, reliable Ethernet connection
- Supports up to 12W of power to keep devices fully charged
- MFi certified for quality assurance
