Expand your creative realm.

Enhanced realism through superb colors with 21:9 aspect ratio on a 34" curved display.

Explore Samsung's 34" ViewFinity S65VC monitor. Ultra-WQHD enables you to immerse yourself in games, movies, or design projects. A 34" 1000R curved display surrounds you with a 21:9 aspect ratio. HDR10 provides one billion true-to-life colors, for darker darks and brighter brights. A USB-C port allows you to power up your device and transmit data with just one cable. Featuring AMD FreeSync™ and 100Hz Refresh Rate to eliminate screen stuttering and image tearing. The ergonomic design has everything built-in: speakers, KVM switch, and a secure camera.

Key features

1000R

1000R Curvature for Ultra-WQHD
Immerse yourself in games, movies, or design projects. A 34" 1000R curved display surrounds you with a 21:9 aspect ratio. The curve closely matches the human field of sight, so you can maximize your screen real estate and reach new levels of productivity with less eye strain.

1 Billion Colors

1 Billion Colors with HDR10
See a wider gamut of colors for stunning accuracy and detail. HDR10 provides nearly limitless hues and true-to-life color representation, with darker darks and brighter brights. Every piece of content is a joy to see — and will be experienced exactly as its creators intended.

Built-in Speaker
Work, learn and play without the need for additional peripherals. With built-in speakers, you can free up desk space by minimizing the connections needed for a more efficient working environment, while ensuring you can listen to any content with ease

USB-C and LAN Ports in an Ergonomic Design
Clean cable management with a USB-C port to power up your device and transmit data with just one cable. The LAN port enables you to connect to a LAN-less laptop for ethernet use. The height-adjustable screen tilts and swivels for comfortable, attractive all-day use.

AMD FreeSync

100HZ Refresh Rate and AMD FreeSync™
A 100Hz refresh rate and AMD FreeSync™ work together to keep your screen smooth in any application, so you can forget about screen stuttering and image tearing. See everything and perform your best without missing a single thing.

Built-in KVM Switch
A built-in KVM switch lets you connect and control two sources to your monitor at once, with just one keyboard and mouse. You choose: split screen, Picture in Picture, or Picture by Picture are all possible. Be more efficient and remove multidevice hassle with easy input switching and multitasking.

TUV-Certified Intelligent Eye Care
Keep your eyes fresh and strain-free. For those late-night projects, brightness and color temperature adjust automatically for optimization in any environment. With TUV-certified eye care technology, Samsung protects eyes against excessive blue light with eye-saver mode and a flicker-free feature.
