Spark **STEAM** in the Classroom with Microsoft's All-In-One Cart

Bundle and Save 20%

To help educators effectively use their technology, your school can receive teacher training at no additional cost when you purchase this Microsoft Education cart. The Microsoft Education cart with littleBits is a quick and easy way to bring the latest technology into the classroom. Built into a compact cart, it comes pre-loaded with Windows 10 devices, Microsoft 365 Education, and littleBits STEAM Student Sets. Compared to buying everything separately, you'll save 20%.

Windows 10 Devices

Choose from Lenovo's Intel-powered 100e notebook or 300e 2-in-1 with pen and touch capabilities. With Windows 10, you'll get a platform for collaborating, exploring, and personalized learning.

Bretford Core M Cart

Designed for smaller mobile devices in a compact footprint. A digital timer provides efficient charging of multiple devices, and meets the latest safety and certification standards, the Core M cart is ideal for any classroom.

B BRETTFORD

Device Management

Each device comes with Microsoft 365 Education, which includes Intune for Education for device management and Office 365 Education with Teams and OneNote for classroom collaboration.
